Nothing says pampering quite like a day at the spa. Luckily, it's not necessary to have a celebrity budget to achieve a day of utter relaxation!

TODAY Style spoke with some top-rated spa professionals to find out their favorite drugstore products. Here's how to re-create a luxurious experience in the comfort of home!

Heather Marianna, star of Bravo's reality TV show "Tour Group" and creator of the "Beauty Kitchen" YouTube channel. Her celebrity clients include Vanessa Simmons, Lisa Vanderpump and Christina Millan.

4. Earth Therapeutics Natural Exfoliating Hydro Towel (\$5.09, [target.com](http://target.com)): "This towel is like magic for transforming dry skin! I use mine a few times a week with a sugar scrub for extra exfoliating and deep cleaning. It's like insurance for whatever body wash or scrub you're using because it makes sure it's fully penetrating the product in your skin."
