Jen Harley will be lighting up Las Vegas on Saturday, January 19th, as she's set to make her first public appearance alongside a popular Bravo TV personality.

The *Jersey Shore* star will be appearing at the grand opening of Hacked By Nature, a CBD wellness store with *Tour Group* star Heather Marianna. Jen will be doing a 2 hour meet and greet with fans while there.

The grand opening of Hacked by Nature takes place between 1-4PM local time. More information can be found [here](#).
