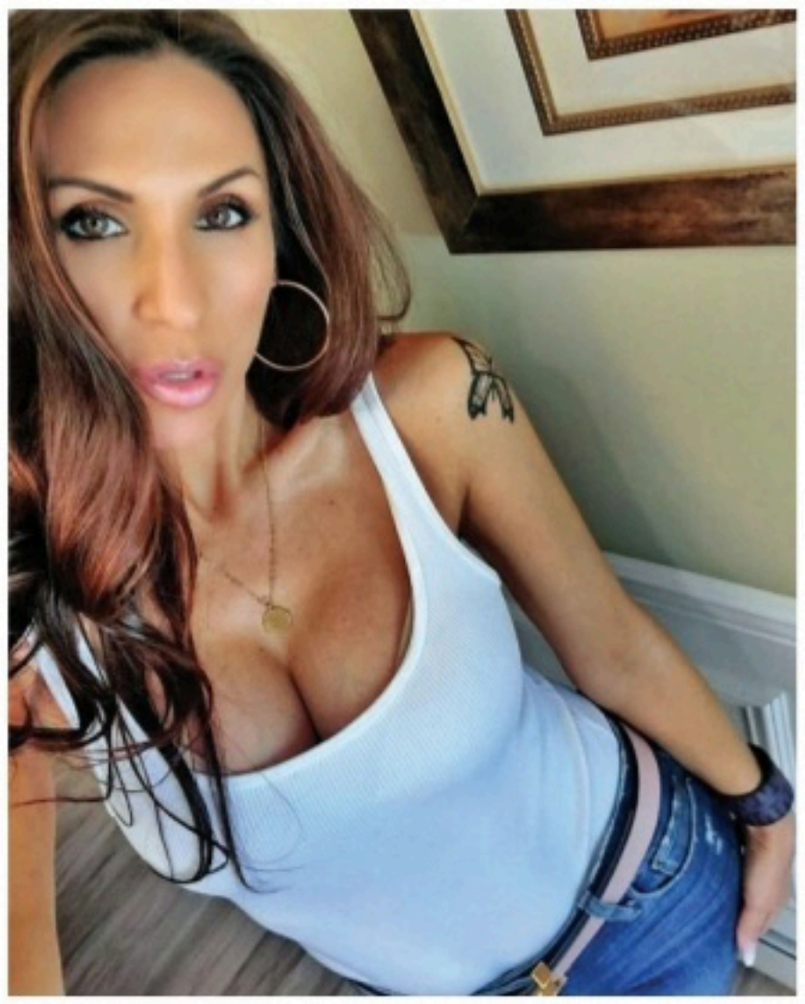
BODY BEAUTIFUL

glo910+
$299, UrbanOutfitters.com
My secret to toned legs is this high-tech massage tool that not only tackles cellulite, it helps comfort muscle pain, increase healthy circulation, decrease swelling, and leaves my skin feeling smooth. After a month of regular use (about 15 minutes a day), I started noticing bonafide sculpting results.

Nushape Lipo Wrap
$497, NuShape.com
This portable belt is totally worth the splurge, and I'm basically obsessed with it. The comfotable device is like a "no-workout workout" to drain toxins from fat cells, burn calories, decrease inflammation, and increase metabolism. I often wear it at night while watching TV and seriously marvel at the results.

SmoothSkin Pure
$397, SmoothSkin.com
Using the very latest in IPL technology, this tool delivers a smart, fast, and powerful treatment designed to stop hair growth and reveal beautiful skin, free from dark shadows and stubble. It's a full body treatment (legs, bikini line, underarms, and face) in as little as 10 minutes. I've never been so happy to kiss nicks and razor burns goodbye.



Our Beauty Director Janene Mascarella shares her favorite full-body beautifiers that she says (after many months of testing) are nothing short of sensational.

Bawdy Beauty The Bawdy Oil
$75, BawdyBeauty.com
After showering post-workout, I smooth on this full spectrum CBD-infused botanical body oil made with 300mg of full spectrum CBD to soothe and calm my muscles and stressed-out skin. The sensual oil is great for a massages and has a sweet and musky aroma. It repairs, restores, moisturizes, and I find it instantly uplifting.

Beauty Kitchen Bye Bye Cellulite Set
$43.50, BeautyKitchen.net
Say hello to the beach and goodbye to cellulite, fine lines, stretch marks, lumps, bumps, and more. I seriously love this all-natural, skin-tightening duo (it includes a coffee sugar scrub and a cellulite firming body oil) because it gives my skin a boost it needs to look and feel energized!

PMD Clean Pro Jade
$179, PMDBeauty.com
I love to add some Zen to my routine! This device helps lift, tone, and firm my skin. After cleansing, I flip it to activate the jade plate massager. Jade is known for its highly calming and balancing properties, which aid the skin, reducing irritation and increasing elasticity.

Environ Body EssentiA Tri-Complex Contouring Cream
$66, DermaConcepts.com
This cream is a revolutionary innovation to help visibly smooth, firm, tighten, and reshape the appearance of your skin with powerful three-dimensional contouring effects. It also helps visibly improve the appearance of dimpled, uneven textured and lax skin, targeting areas such as the jawline, upper arms, abdomen, buttocks, thighs, and knees, all while nourishing the skin for a silky soft feel.

TEMPTU Ultimate Airbrush Self-Tan Starter Kit
$150, Temptu.com
This one-of-a-kind, at-home sunless tanner collection is basically the answer to my prayers. It delivers an extremely precise, micro-fine mist that ensures every inch of skin is coated evenly with a professional spray tan formula. No mess, no streaks, and finally...no stained hands! The result: a superior sun-kissed glow that lasts for days.
